Guangqi CHEN

ICADD11 Conference Co-Chair

Dear Guangqi Chen:

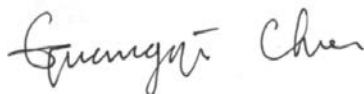

***Re: Invitation to Attend ICADD11***

We are pleased to invite you to attend the 11th International Conference on Analysis of Discontinuous Deformation, which will be held in Fukuoka, Japan from 27 to 29 August, 2013.

The purpose of the Conference is to stimulate discussions on the present challenges in the practical numerical simulations in engineering and disaster prevention. Because of your expertise in this area, we invite you to participate by submitting and presenting a paper in the Conference. We shall have many other experts making presentations all over the world. The importance of the ICADD11 conferences depends on the participation of world technical leaders like yourself and your contribution will, therefore, be greatly appreciated.

This Letter of Invitation does not commit ICADD11 committee to any kind of financial support or hosting arrangements. If you need an entry visa to Japan, please let us know. We will prepare some necessary documents for you.

Yours Sincerely,

---
