

# “BRIGHT LIGHTS, BIG PITY”

## Lantern Sponsor Invited!

We will set up the foot lanterns on the way from entrance to Koshou-den in the evening time in “Bright Light, Big Pity” at Zojo-ji. The right photo is a look of last year. The lanterns lighten our step and mind in ebony temple-yard under the highly illuminated TOKYO TOWER. It seems in a fantasy.

We would like to ask you to be a lantern sponsor. You can share one side of lantern which you may write/draw your hope or wishes... on your own idea by JPY2,000-/share. It will be settled up at registration desk at Zojo-ji. You may substitute donating to any NPO etc. by your choice, if you are out of Japan.

You may use the prepared sheet downloading from Canchi-in web site, of course your original painting would be welcome.

We will read your name and wishes when the final praying to be realized it with all attendees. We hope many good wishes would be assembled.
